We had 63 participants, mostly members, on a day that started out with rain, and that seems pretty good. It turned out to be a very nice day, and people stuck around, ate hot dogs and socialized.

Doug Kennedy and co-meet director Dave Cady set up a string course to test the electronic punching, and that seemed to go well also, with good lessons learned for the future.

Of course, a huge thanks to the volunteers -- Jackie Novkov, Walt and Patty Lyons, Steve Lakomy, David Levine and Rebecca Wightman.

Signed, Henry Davis, Meet Director
