

Bflo O-Board Minutes

December 4, 2015

1. Discussed purchase of AED unit & training. General consensus was “no” (unknown who will be available to use, would not be in a constant location).
2. Tax status update
Dave has been too busy to explore. We are opting to not continue on this (limited benefits for the number of purchases we make).
3. Treasurer’s report
\$26,000 in bank. (+\$2236 from Ellicottville Adventure Run).
4. Publication Status of Meet Directors guide
Done. Greg put it on web site.
Make sure meet directors know
5. Club meet reporting requirements:
Dave created a new form for the meet report (now that we have electronic scoring)
Make sure meet directors know about the current form
Put it on the website
6. Boy Scout permanent course ideas
Dave to re-write agreement for Schoellkopf.
Proposed: our yearly club meet there for free, they can have free use of maps to permanent course. Consensus was “yes”.
7. Status or control flag replacement project
10 new ones bought
8. Ellicottville map hike
Keep it?
Need to advertise better if we keep it.
Have Holiday Valley promote it themselves.
Change to MTB course? (local shops, WNYMBA) (mountain bikers might prefer their map though).
0. Where is it being sold?

9. Mapping

Potential new park - Knox Farm State Park (will need permission to map, will need permission for events). -Dave [2]

Potential new park - Allegheny (permanent course)?? [5?]

Extend Ellicottville -Valentin?

Initial legwork, research (Now-ish) -Dave

Photos missing. Dave to check on options.

Pricing/availability for Valentin

Map Revisions

Hunters Creek [3]

Schoellkopf [4]

10. Mini-Rogaine Scheduling

Problems:

Sept 10: too early for the student group

Sept 17-18: 2-day Classic Championships

Sept 23-25: NAOC

Oct 1: bowhunting season starts

0. Solutions:

Hold on usual day despite NAOC conflict?

Separate event for students?

Trade with another meet?

Solution proposed by email 12/10/15:

Linc contacted teacher..the date rather than location was of importance..so will trade dates with August 27 meet

Aug 27: Ellicottville Adventure Run

Sept 24: Sardinia Score-O (also for students)

(website schedule updated as of this typing)

11. Score-O Series

Less participation than in traditional meets

check balance of Saturday versus Sunday (last year there was a shift between traditional and score-O...possibly people just had conflicts).

Hold intermediate class?

Make part of picnic before score-O?

Find out how many people are interested.

12. Picnic

0. Move date (so separate from meet)?

Hold intermediate training event?

13. Continue guided map hike series? Split to include 2 parks?

Next Meeting: Jan 8
