## Details

Note: B.O.C. spring and fall meets will be decided upon at the Annual Meeting on March 14. Look for a meet in April, another in May, and possibly one in June. Also, several meets in nearby Ontario will probably be held this spring. Those dates were not available at press time. As a result, we've padded the calendar with a listing of meets in other parts of the Northeast. Actually, it can be a lot of fun going to a big 2-day 0-meet in another part of the country. Maybe you should consider doing it this year.

Mar.14 (Thu) B.O.C. Annual Meeting. A pot luck dinner followed by a meeting to choose officers for 1985, pick dates for meets, and transact other club business. Socializing follows the meeting (and sometimes occurs during the meeting). At the Cadys, 148 Humboldt Parkway in Buffalo. See map for location. Dinner at 6:30. Meeting at 7:30. Call Dave Cady at 837-3737 to let him know what you can bring (so we don't end up with five tuna casseroles). Pop, coffee, and milk will be supplied. Otherwise, B.Y.O.B.

Apr. 6 (Sat) Billygoat Run. Litchfield, CN. Long-0, mass start at noon; plus white, yellow, and orange courses with registration noon - 2 p.m. Contact Peter Gagarin, 413-665-7573. A N.E.O.C. event.

## DON'T MISS THE MEETING

The Buffalo Orienteering Club will hold its Annual Meeting on Thursday, March 14th. You won't want to miss this once-a-year opportunity to eat, talk, and be merry.

The meeting is immediately preceded by a potluck dinner which demonstrates that our members are as skilled with pot and pan as they are with map and compass.

The actual meeting itself is efficiently conducted. Officers are elected without any fuss, everybody whips out their calendar (don't forget yours) to draw up a schedule, and various people in charge of different things get to make a report.

Afterwards, everyone sits around and chats. It's a very pleasant evening. But it only happens once a year -- so don't miss it.

Call 837-3737 to let us know you're coming and to tell us what you're bringing (so we don't end up with five tossed salads).

## DID YOU FORGET TO RENEW?

If so, don't forget any longer. Now that the ground is visible again, it won't be long before you'll be itching to get into the woods.

You won't know when, where, why, or how unless you send in your renewal. If you do, we'll keep the newsletters coming and you'll be kept fully informed.

Clip the application form below and send it in right away. Renewals will also be taken in person at the Annual Meeting.

## EMPIRE STATE GAMES SKI-O QUALIFIERS

Here's a partial list of those who qualified for the Empire State Games. The ranking "points" are derived from a comparison of the finishing times of the rankee and the top seed. Don't argue, Quinlan has an IBM PC.

MESSAGE FROM THE PRESIDENT

Another year is upon us and it's time to start another season of orienteering. For those of you who were novices last year, try the intermediate courses. And you intermediates, it's time you tried the challenge of the advance courses. For even more excitement, try competing against our neighbors in Rochester and Canada.

To get the season rolling our Annual Meeting is coming up and everyone is invited. We value your suggestions and comments.
