## LONG-O AND NYS CHAMPIONSHIP REPORT By Dave Cady

It was an opportunity too good to pass up. Imagine a Two-Day A-meet, a U.S. Championship, and the NYS Championships all on the same weekend and all within an hour and a half drive from Buffalo. Eleven BfIO members decided to take advantage of that opportunity presented on the first weekend in November by the Rochester O Club.

Day One was held at Letchworth State Park on the now familiar but still challenging map of the southwest end. The choice was to enter the U.S. Long-O Championship or to run on a regular length A-meet course. The Long-O courses were 50% to 75% longer than the standard courses.

The Long-O featured an interesting format which had the competitors tackle a Score-O after a mass start. Then they went through a map exchange and out on the point-to-point course.

The meet site for Day Two was a Girl Scout camp south of Dansville. If you were a resident of New York State, this day counted as the NYS Championship. Runnability on Day Two was quite different with lots of downed trees and tree limbs as a result of the ice storm the previous spring.

Unfortunately, the BfIO members' enthusiasm didn't result in many high placings. The only notable accomplishments on Day One were Scott Pleban finishing second on the regular Blue course and Tom Wightman finishing first in M-Open on the regular length Orange. On Day Two, Charles Bentz finished first in M45B on Green.
