Re: Orienteering Meet, 15 October 1995 @ Chestnut Ridge Park

The day was cool, temperature in the upper 40s, partly cloudy and very windy. Turnout was excellent with over 100 entrants. Number of starters was 33 but many were in groups. The groups included Sea Cadets, Girl and Boy Scouts, Nichols School and several families.

We were somewhat unprepared for so many people, especially when they turned up early and wanted to start. However, everything seemed to work out all right and we heard no complaints.

RESULTS

[Please excuse any misspellings--we were in a hurry]

[There may be omissions in the groups--Sorry]
