

Fall Orienteering Highlights

The BFLO fall schedule begins on Saturday September 19 at Chestnut Ridge Park. A String Course will be set for children. Sardinia will follow on Oct 3, and the season will finish at Emery Park on November 1. There may still be a few ghosts and goblins lurking in the woods from Halloween.

We are fortunate to have a "ringside seat" to a first class orienteering meet put on by our neighbors in Rochester. On October 17 and 18 they will be hosting the US Long Course and Short Course Championships at Letchworth State Park.

But I'm not a champion! You say. Think again. Large meets like this one offer courses for all ages and abilities. Wouldn't you like to see how you stack up against the rest of those twelve year olds, or 55 year olds, or 70 year olds?

But I'm really not the competitive type. Then sign up for a recreational course, enjoy the fall foliage at Letchworth, have a picnic and watch some first class orienteers. String -O will be available for young children. For information and to register contact Dick Detwiler of ROC at 716-671-2437.

Map Hikes Still Available

Fall is a wonderful time for Map Hike. Enjoy the foliage off the beaten path and hone your orienteering skills. It is also a great low key way to introduce a friend to the sport. The permanent courses will remain set at Sardinia, Chestnut Ridge and Emery Parks until mid November.

Map hikes are still available for \$5 at Hyatt's Art Stores and directly from Phil Wolfling, 785 Crescent Ave. Buffalo 14216. In addition, The Wild Bird Shoppe at 3246 Sheridan Drive will be carrying them for the first time.

Mapping Projects

At the annual meeting it was decided to make a map of Sprague Brooke Park. Unfortunately we were unable to gain permission from Erie County to hold meets there, so those plans had to be abandoned.

If you have any ideas of potential sites to map, pass them along to Jon Sundquist. It would be nice to have a map to the north or east of Buffalo. Jon has been doing quite a bit of mapping for the mountain bike club in the Ellicottville area. Would anyone be interested in this area for orienteering?

MEET RESULTS

Sardinia May 16, 1998

Meet Director Charles Wightman
 The weather was sunny and hot. One
 competitor said it was hot enough to fry ones
 brains! Nevertheless we had a good turnout
 and everyone enjoyed the day.

Beginner Instruction

The premeet instruction given by Dave Cady at the Spring Meets was well attended. We would like to offer beginner instruction before the fall meets as well. If you would be able to help with this, give the meet directors a call, or else they just might call you! There is nothing like trying to teach someone else to make you really learn it for yourself.

Renewal Reminder

Don't forget to send in your 1998 membership if you joined last fall or if you just plain forgot. You can also renew at any of the Fall meets.
