

**Help Make Plans for 1999
BFLO Annual Meeting
Saturday, February 6, 6:30 pm
The Little White House, Medaille College.**

Now that Buffalo has emerged from the Great Snows of 1999 (technically it wasn't a blizzard), it's time to make plans for the coming year. Someday the snow will melt and we want to have Orienteering Plans in Place.

Come join us for our annual meeting. The same location as the last few years. If you have never been, the Medaille campus is located near Delaware Park at the corner of Parkside and The Scajaquada Expressway. We will have Pizza for all, plus other goodies if we can all bring a dish to pass. Food is not required for entrance so don't despair if you don't feel inclined to cook. You can call the Sundquists at 655-5130 or the Cady's at 837-3737 for directions.

We should have lots to talk about. This year I would like to be as specific as possible with our plans, because I think that will increase our odds of getting things done. If you have an idea for maps, try to bring a USGS or other map of the area. Bring your calendars so we can try to set the meet schedule. I will bring a copy of the Rochester schedule so we don't conflict. I would also like to set a specific timetable for the newsletter, since I seemed to have a lot of trouble getting it out this year.

Jon will bring a copy of his Ellicottville area map for all to peruse. We should also bring some Allegany quadrangles as the topic of a Rogaine always comes up. Rochester and CNYO clubs have shown some interest in this project as well so it might be a good time to develop a timetable. If there are any smaller parks, Akron and Westfalls have been mentioned, we could try to bring maps of those as well. The Sprague Brook project we decided on last year was waylaid by difficulties obtaining permission from Erie County.

We will hold our annual election of officers. Everyone has agreed to serve another term so it won't be a suspenseful process, unless we have a surprise candidate.

We will also need to make plans for Map hike, both marker setting and distribution. Mike Gasciewicz will give us our financial update. Other recurring themes will be discussion of the Camp Schoellkopf map, consideration of an A meet, and improving publicity of our meets. If you have other ideas, but can't come to the meeting, please give us a call. We want everyone's input.
