

## **Fall Orienteering Begins September 16 at Chestnut Ridge Park. Full Schedule is inside.**

**Yes , just when you were beginning to wonder.**

If you can't make as many meets as you would like, Fall is a great time for Map Hike. They will still be available for purchase at the Fall BFLO meets. They will also be available by mail from Phillip Wolfling @ 785 Crescent Ave., Buffalo, NY 14216 or direct purchase from all Hyatt's Graphic Arts Stores and The Wilde Bird Shoppe(Sheridan Drive). Cost is still only \$5. Map Hike markers will be up through Thanksgiving. What better way to walk off that Turkey and pie. Don't forget to mail in your postcard to be eligible for the prize drawings. You don't have to find every control to enter.

### **The ALLEGANY ROGAINE A SUCCESS**

Thanks to the hard work of many people the Allegany Rogaine was a great success. The complete results are listed inside so you can look for names of friends and foes. Some BFLO folks did quite well. Dave Levine as meet director and Jon Sundquist as cartographer/ coursesetter were the masterminds, but many others helped out to make the event a success.

Jon would especially like to thank BFLO members Dave Cady, Mike Gasciewicz, Andy Grupp, Mike Lance, Chris Nichol, Keith Weilacher and Phil Wolfling for assisting with mapping and control setting and pick-up.

Competitors traveled from as far away as New Hampshire, Illinois, New York City. The weather was suboptimal (read rain), but could have been worse. The sun shone on the beginning and the end. Note, I am describing the rogaime weekend, not Summer 2000 although the same description might apply.

The bonus is we also now have a nice map of the park which is selling well. I had Jon enlarge a section of the map near Camp Allegany for use with a group of scouts and it turned out quite well.
