

Orienteering FALL 2001

Our first meet is SOON! As in this weekend **September 9.** Hope you can join us at Emery park. Future meets will be at Chestnut Ridge and Sardinia. Our neighbors in Rochester and Ontario have some interesting events planned as well. In October Rochester is hosting a large regional meet (an A meet) at Letchworth State Park and a nearby Girl Scout Camp. If you would like to try orienteering away from our home parks this would be a nice place to start. They are also holding a trail run for you runner types on November 10. The Golden Horseshoe Orienteering Club (Niagara/Hamilton) is tapping into the Adventure Race craze and holding an adventure running race on November 11. Shortcuts are encouraged. Sounds like orienteering with a little marketing spin. Check the schedule page for contact info.

Map Hike Update

Fall is a great time to do a maphike. A good way to enjoy the foliage. Map Hike wizard Phil Wolfling is moving so send your postcard back to his new address.

263 Morris Avenue
Buffalo, NY 14214

Map hikes will be for sale at the fall meets. Map Hike should still be available at Hyatts art supply stores as well. If its a long drive you may want to call first to see that they are in stock or contact Phil Wolfling.

EMS MEET THE CLUBS NIGHT reported by Keith Weilacher

Members of the BfIO were on hand April 26 to discuss orienteering with customers at the Niagara Falls Boulevard Eastern Mountain Sports store. EMS sponsored a 'Meet the Clubs Night' from 7:00 to 9:00 P.M. During that time customers and potential club members roamed the store and discussed outdoor adventure with ten area clubs. Dave Cady and I never had a quiet moment as we spent the night promoting the club until after the store closed.

Together, we handed out about 30 flyers with the area's spring orienteering schedule and a promotion for National Orienteering Day (NOD). We also left about 20 flyers at the store. EMS will soon display BfIO pamphlets, too. The big draw was the orienteering display made by Mike Lance (thanks, Mike). Mike's display shows course maps, describes orienteering, lists our spring and fall schedule, and encourages folks of all ages to try orienteering.

EMS night Continued from front page

The Empire Sports Network Outdoor Sports - orienteering video, featuring the Sundquist family, was played in a loop all night on a video monitor provided by EMS.

Tracy Oakes, store manager, was excited to have BfIO there for the evening. She expressed great interest in working with us to promote the club and proposed we conduct orienteering clinics in the store and in the field through EMS. The evening was rounded out when club president Andy Grupp, and fellow member Jackie Novkov arrived to lend encouragement.
