Control markers are placed in three Erie County Parks from May 1 to November 30. Map Hike kits are available at all Hyatts-All Things Creative stores, all local events, or directly from Phil Wolfling at 832-9758. The cost is \$5 per kit. Included in each kit is a five color map with 20 control locations marked on it, a map case, a clue sheet, tips for navigating, and a control card to record the codes at each control. The control card can be returned at the end of the season to be entered in a drawing for prizes.

Website Now On-line

Thanks to efforts by Phil Wolfling, the Buffalo Orienteering Club website is now a reality (or at least a virtual reality). It can be found at <http://www.buffalo-orienteering.bfn.org>.

The site features the upcoming schedule, directions to all meet sites, map hike information, and a list of club contacts.

The Links section includes links to USOF as well as nearby clubs.

The site also contains a print-and-mail membership application form. At least two new memberships have been received as a result of this form being available on-line.

Future plans include posting of results and postings of past newsletters.
